

**RECOVERY  
SERVICES**

*"We Never Rest Until Justice Is Served"*

# About Us

## What Do We Do?

Atlal Recovery Services is a professional debt recovery and legal solutions company based in Dubai, UAE, specializing in the recovery of bad debts, bounced cheque amounts, and financial fraud cases. Unlike traditional law firms, Atlal goes beyond legal paperwork, we act as a partner with the creditor, taking an active and relentless role in tracing, negotiating, and recovering what rightfully belongs to our clients.

Whether the debtor is in the UAE or any corner of the world, Atlal stands with the creditor every step of the way, from holding meetings and pressuring negotiations to pursuing legal action where necessary. Our mission is simple yet powerful: to bring justice to victims of financial fraud and recover their lost money with efficiency, integrity, and determination.

# Leadership

## Specialized Knowledge

Mr. Khalid Tamimi, the visionary leader behind Atlat Recovery Services, brings unmatched experience in global debt recovery and financial dispute resolution. With a 100% success ratio in reclaiming funds for victims, Mr. Tamimi has built a reputation for his strategic approach, global network, and relentless pursuit of justice. His leadership inspires the entire team to go beyond conventional limits to ensure that no debtor escapes accountability.

Learn More

## No Advance Fee

We do not burden our clients with upfront costs or retainers

## Success Based Reward

Our earnings come only after successful recover while ensuring complete alignment with our client's interests.

## Global Reach

With partners and investigators across continents, we chase the guilty wherever they may hide

## Negotiation First

We believe in peaceful and diplomatic settlements whenever possible.

## Legal Action

If negotiation fails, we take immediate legal measures through the proper judicial channels and we don't stop until justice is achieved

# Our Approach

Atlal Recovery Services operates on a unique and client-friendly model

# What Makes Us Different?

- We act, not just advise our team personally engages with the debtor and authorities.
- We share the client's goal, working as a true partner in recovery.
- We operate on a results-based model, not legal retainer fees.
- We have a 100% success rate under the leadership of Mr. Khalid Tamimi.
- We combine legal expertise, intelligence, and international coordination to recover what others consider impossible.

# Rewards of Appreciation

# Thank You
